

Indoor Environmental Air Quality Management Plan

The School District of West Salem would like to inform staff, students, parents, and the public of the district's indoor environmental quality (IEQ) management plan. The plan was initially developed in 2013 and is reviewed as necessary. The plan was developed as deemed appropriate for the district. Questions and concerns should be directed to the IEQ Coordinator, Scott Johnson by calling (608) 786-0700.. Copies of the plan are available at the district office for a fee. The district office is located at 405 East Hamlin Street, West Salem, WI, 54669.
