Student Name: \_\_\_\_\_ Date of Experience: \_\_\_\_\_

Time Started: \_\_\_\_\_ Time Stopped: \_\_\_\_\_ Total Time: \_\_\_\_\_

Location of Community Service: \_\_\_\_\_

*Community service is an important way to give back. It yields academic gains, brings learning outside the classroom, and builds skills. At least two verified hours are required as part of the Panther Portfolio.*

## Community Service Expectations

- Community service provides a service to the *community at-large*, not to an individual person.
- Community service needs to take place outside of your scheduled classes.
- A family member or friend may not serve as your supervisor.
- You cannot be paid or compensated for your time and efforts.
- Ask for and follow all guidelines for the location of your community service (i.e. dress code).
- Community service hours do not count toward Panther Project hours.
- Print and scan this document and then save it for/insert it in your Panther Portfolio.
- Upload the scanned document to the Google Form located on the High School Website under Students.

Why did you choose *this* community service opportunity?

Describe the task(s) that you completed.

How did this experience make you feel? Explain.

By signing below, I verify that the student listed above completed the work as described and for the length of time indicated. I am not related to the student, and the student was not compensated for their time/efforts.
